

## DONORS

As a nonprofit organization, our mission is fueled by the generosity of our local community and dedicated donors. Your contributions make a significant impact on the well-being of pets in our community, allowing us to offer vital medical services as well as resources. With your support, we are able to ensure every pet receives the care they deserve.

## VOLUNTEERS

Our heartbeat is our incredible team of 145 active volunteers. They are at the front lines of our organization, contributing their time and passion to various essential roles such as volunteer veterinarians, leading the pet food pantry, assisting with vaccination drive-thrus, surgery preparation, and so much more. Their dedication and selflessness strengthen our impact, allowing us to extend our services and care to even more pets and their owners

## OUR MISSION

In the heart of Kansas City, the Pet Resource Center serves as a lifeline for pets and their owners. The mission of our nonprofit is to decrease pet homelessness, increase pet retention and improve the quality of life for pets through education and supportive services for families in need. Families facing financial hardships shouldn't have to make heartbreaking choices about their pets, and no one will be turned away for their inability to pay at our organization. The Pet Resource Center not only offers essential medical care but also helps keep pets healthy and at home, alleviating the strain on overwhelmed shelters.

## SPAY/NEUTER

Our dedicated team is on a mission to address the pet overpopulation crisis by spaying and neutering and in 2023 alone we altered 11,695 pets. Through our high-quality veterinary services, we play a crucial role in preventing the proliferation of unwanted animals, promoting responsible pet ownership, and contributing to the overall well-being of our community.

## WELLNESS

We're proud to have vaccinated 21,450 pets this year at our clinic. Our commitment to pet well-being extends beyond preventing disease – it's about keeping our pets happy and healthy. By providing essential preventions, we ensure a strong foundation for their overall wellness, fostering a community of thriving and protected pets.

## COMMUNITY OUTREACH

Our dedicated outreach team is committed to empowering pet owners with the resources and knowledge needed to ensure a happy and healthy life for their beloved companions. Through education and outreach efforts, we strive to strengthen the bond between pets and their owners. Additionally our pet food pantry ensures that no pet goes without proper nutrition. We have extended our reach even further, having the privilege of engaging with 303 pets in total during our weekly houseless camp visits. This partnership enhances our ability to make a positive impact on the well-being of pets and their owners in our community.

## MOBILE SERVICES

Our commitment to accessible pet care is evident in our 177 mobile events held throughout the KC metro area in 2023. Through these dynamic vaccination clinics, we bring our veterinary services directly to diverse communities. Our goal is to make preventive care, like vaccinations, easily available, ensuring that pets receive the necessary protection for a healthy and happy life.

## URGENT CARE

Our Urgent Care services are experiencing unprecedented demand, consistently stretching our capacity to its limits. Serving as the lifeline for pets in crisis, our dedicated team is committed to meeting the growing need. As a nonprofit organization, we can provide emergency services to pet owners at low to no cost, made possible because of the generous donations from our supporters. For numerous pet owners, our Urgent Care serves as a safe haven, offering non-judgmental and affordable care for their pets.

## DENTALS

The smiles of our four-legged companions are priceless, and so is the demand for our Dental Program. With appointments booked out a month in advance, the community's eagerness to prioritize their pets' oral health mirrors the importance we place on comprehensive care. Recognizing the vital role dental health plays in the overall well-being of pets, we are committed to ensuring that every pet receives top-quality dental care at an affordable price.
